

SILEX+

ASSEMBLED IN AMERICA BY SOURCE AMERICA

SILEX+ offers all the advantages of SILEX and is equipped with our exclusive PLATINUM coating for long-lasting protection against fogg and scratch. In order to cover all activities requiring alternating high and low light exposure, SILEX+ is available in a Copper version, a technology that also effectively fights against blue light. Protection, Comfort and... Style, SILEX+ is available with new temples colour combinations.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
